

PERS Health Insurance Program (PHIP) Benefit Guide

January 1 — December 31, 2025

CREDITABLE COVERAGE DISCLOSURE NOTICE

Important Notice from the Oregon PERS Health Insurance Program (PHIP) About Your Prescription Drug Coverage and Medicare

THIS SECTION APPLIES TO RETIREES AND DEPENDENTS WHO ARE NOT COVERED UNDER A MEDICARE ADVANTAGE PLAN

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with PHIP and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. PHIP has determined that the prescription drug coverage offered by the non-Medicare United Healthcare (Core Value and HDHP) and Kaiser (Core Value and HDHP) plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

If you decide to join a Medicare drug plan, your current PHIP coverage will be terminated.

Upon becoming eligible for Medicare, PHIP retirees must enroll in a PHIP provided Medicare Advantage (MA) plan or Medicare Supplement plan to continue receiving coverage in an PHIP provided health plan.

All PHIP's Medicare offerings provide medical and Part D prescription drug coverage. There is no need to enroll in a separate Medical or Part D drug plan and doing so will result in your being disenrolled from your PHIP plan and your Health Benefit Subsidy amount may be impacted.

Should this occur, please contact PHIP at 800-768-7377 if you wish to maintain coverage in the PHIP program.

If you do decide to join a Medicare drug plan and drop your current PHIP coverage, be aware that you and your dependents will not be able to get this coverage back unless you experience a new enrollment opportunity.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with PHIP and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage:

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through PHIP changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage: Visit www.medicare.gov.

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.

Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

September 2024

Dear PERS Health Insurance Program (PHIP) member,

In this guide you will find your benefit information for the 2025 PERS Health Insurance Program (PHIP) plan year. Please review the 2025 plan changes on pages 16-17 as well as the 2025 benefits and premium rates on pages 23-46.

If you are interested in changing your health insurance plan for the 2025 plan year, you may submit plan change requests October 1 through November 15. You will need to complete both a Disenrollment Form and a new Enrollment Request Form to submit no later than November 15, 2024.

If you do not want to make any changes to your health insurance plans for 2025, no action is required. Your current coverage will continue, and the 2025 premium rate and benefit changes will take effect January 1, 2025.

This year, plan change meetings begin September 9 and end September 25. A current schedule of the meetings is available at pershealth.com. Representatives from PHIP and the Contracted Health Plans (CHPs) will be there to answer your questions. Each meeting is approximately two hours long. Registration is required for the webinar, however no registration is required for in-person meetings.

Please bring your 2025 PHIP Benefit Guide with you.

For more information, visit our website at pershealth.com.

Sincerely,

PERS Health Insurance Program

Enrollment Opportunities

Current Member — Initial Medicare Eligibility

Eligibility for Medicare begins the first day of the month of your 65th birthday. You are required to retain both Medicare Part A and Part B to be enrolled in a PHIP Medicare plan.

Once you become eligible for Medicare, your non-Medicare plan will be terminated and you may not have another opportunity to enroll.

If you are currently enrolled in a PHIP non-Medicare plan and need to change to a PHIP Medicare plan, you will need to do the following within 30 days of becoming eligible for Medicare:

- Fill out a Disenrollment Form for your current PHIP non-Medicare plan.
- Fill out a new Enrollment Request Form for the PHIP Medicare plan, if enrolled in both Medicare Part A and Part B.

PHIP coverage will begin on the date your Medicare coverage becomes effective — as long as we receive your completed Enrollment Request Form before the date of your initial Medicare eligibility.

Current Member – Medicare Disability

Your eligibility to enroll in Medicare Part A and Part B due to Social Security Disability, becomes effective the first day of the 25th month after your Social Security Disability benefits began. In this case, becoming Medicare-eligible due to disability is considered your initial Medicare eligibility.

If you are currently enrolled in a PHIP non-Medicare plan, you must complete an Enrollment Request Form 30 days before becoming Medicare-eligible. If you do not submit a new Enrollment Request Form for Medicare coverage, your PHIP coverage will end. Also, you will not be able to enroll for PHIP once you are Medicare-eligible.

If you miss this opportunity, becoming Medicare-eligible at age 65 will not be a new opportunity to enroll in a PHIP health plan,

unless you have had 24 months of continuous employer-sponsored coverage immediately before enrollment in PHIP.

Current Member — Enrolling a Spouse or Dependent Child

You may enroll an eligible spouse or dependent during any enrollment opportunity available to retirees.

Adding a New Spouse or Dependent Child

You must enroll your new spouse or dependent within 30 days of the family status change (e.g., birth, marriage). If your spouse has a different last name, PHIP will require a copy of the marriage certificate.

To add a new spouse and/or dependent, please complete and submit a PHIP Enrollment Request Form.

The coverage will be effective on the first of the month after we receive the completed PHIP Enrollment Request Form.

Dental Plan Enrollment

To enroll in a PHIP dental plan, you must enroll in a PHIP medical plan during the same enrollment opportunities as the PHIP medical plan. Dependents' dental coverage must be with the same contracted dental plan as the retiree. However, the retiree can choose dental and medical plans from different Contracted Health Plans (CHP).

For Kaiser Permanente dental, you must live in the Kaiser Permanente dental plan service area.

Get a Complete List of Enrollment Opportunities

For a complete list of PHIP enrollment opportunities, please contact PHIP for a PERS Health Insurance Program Member Guide or visit pershealth.com.

After Enrollment

Annual Plan Change Period

From October 1 to November 15, you can submit paperwork to change your medical and/or dental plan to another PHIP plan available within your residing area. Changes made during this time become effective January 1 of the following year. If you're enrolled and don't want to change plans, you don't need to do anything.

You may not add dental coverage or dependents during the Plan Change Period unless you have an enrollment opportunity.

If you do need to make a change, you'll need to fill out a Disenrollment Form for the plan you are ending, and an Enrollment Request Form for the new plan. You'll need to submit both forms to PHIP before November 15.

Find forms at pershealth.com or by calling PHIP customer service.

If you do not submit a change during this period, you will be unable to change your enrollment mid-year, unless you experience a family status change or new enrollment opportunity.

Snow Bird

The Snow Bird option allows members enrolled in PHIP Medicare Advantage plans to change their health plan to the Moda Health Medicare Supplement Plan or UnitedHealthcare® Group Medicare Advantage (PPO) plan while temporarily living outside their Medicare Advantage plan's service area. Members must live outside the service area for more than 60 days to use this option.

After returning to Oregon, members will be eligible to change back to their prior Medicare Advantage plan.

The Snow Bird option also applies to non-Medicare members who are enrolled

in Kaiser Permanente. You have the option to change to the same plan under UnitedHealthcare.

You must fill out a Disenrollment Form for the plan you are ending and an Enrollment Request Form for the new plan before leaving the area, and again upon returning. Please contact PHIP for more information.

Change of Address

If you change your address, you must notify PHIP in writing. Complete, sign, date, and submit a Change of Address Form to PHIP. Address changes may be sent via mail or fax. Email requests will not be accepted.

PHIP will notify the appropriate health plan.

If you do not notify PHIP within 30 days of moving outside a service area, you may lose coverage. You must maintain a permanent residence within the United States to be eligible for PHIP. If you reside in another country, you are not eligible to keep PHIP coverage.

Late Payments

Your premium payment is due on the first of each month. If your payment is not received by then, your account will be considered delinquent.

If you do not pay your premium, your health plan coverage will be canceled.

If your coverage is canceled, you may have to pay for all claims, unless they are covered under Original Medicare. Per OAR 459-035-0090 (3) If payment is by check or money order, the check or money order must be physically received by the Third Party Administrator on or before the due date. (4) Failure to make the payment by the due date shall result in termination of a person's PERS-sponsored health insurance coverage.

Disenrollment

Voluntary Disenrollment

If you would like to end your PHIP coverage, you will need to complete and send a PHIP Disenrollment Form. This is required by PHIP and Medicare.

This change will be effective on the first of the month after we receive your PHIP Disenrollment Form, unless you request a later date. If your spouse and/or dependent child age 18 and over are part of your plan, they will also need to sign the form.

If anyone in your family stops their dental coverage, the whole family will lose their dental coverage.

Involuntary Termination

PHIP may be required to end your coverage if you:

- Lose your Medicare Part A and/or Part B.
- Sign up for another non-PHIP Medicare Advantage or Medicare Part D Prescription Drug Plan.
- Fail to pay your monthly premium.
- Lose your retirement status by returning to work.

If your PHIP coverage ends, you may not sign up for PHIP again unless you get a new enrollment opportunity.

If you owe PHIP money, you will need to pay any outstanding balance before you can re-enroll.

Death Notification of PERS Retiree or Spouse

If you are the PERS retiree:

- If your spouse passes away, your PHIP coverage will continue as usual. To end your spouse's coverage, please mail a photocopy of their death certificate to PHIP and separately to the PERS Pension office.

If you are the surviving spouse or dependent child of a PERS retiree:

- If the PERS retiree passes away, your PHIP coverage will continue automatically. You will need to mail a copy of the retiree's death certificate to PHIP and also separately to the PERS Pension office. If you would like to end your coverage, please send PHIP a Disenrollment Form.

Enrollment Upon Death of the PERS Retiree

- If the surviving spouse is not enrolled at the time of the PERS retiree's death, the spouse may enroll within 90 days of the date of death, or by meeting other enrollment opportunities. However, if the spouse remarries, coverage cannot be extended to the new spouse.

Appeal Rights

For appeals related to PHIP enrollment or eligibility follow the instructions below. For appeals regarding claims, prescriptions or other benefit specific issues, please contact your health plan directly.

Pursuant to Oregon Administrative Rules (OAR) 459-001-0030, if you disagree with staff's determination you may request a review by writing to the PERS Director within 60 days after the date of this letter. Your request should include the following information:

- (a) A description of the determination you want reviewed.
- (b) A short statement describing how and why you think the determination is wrong.
- (c) A statement of facts that you believe show the determination is wrong.
- (d) A list of any statutes, rules, or court decisions that you believe support your position.
- (e) A statement of the action you seek.
- (f) A request for review.

 *Once disenrollment or termination occurs, you cannot re-enroll in PHIP unless you have a new enrollment opportunity.*

Oregon Revised Statutes are available from the Office of Legislative Counsel, or can be located on the internet at oregonlegislature.gov/bills_laws.

Oregon Administrative Rules are available from the Oregon State Archives at http://arcweb.sos.state.or.us/pages/rules/oars_400/oar_459/459_tofc.html.

Mail appeal to:

**Public Employees Retirement System
Attn: PHIP Appeals
P.O. Box 23700
Tigard, OR 97281-3700**

The Director may ask a Division Administrator to act on your appeal. Your request will either be granted or denied. You will be mailed a response letter within 45 days after we receive your request.

Health Plan Appeals

If you have appeals, complaints or grievances about your health plan benefits or claims, please send them to the health plan in which you are enrolled. Refer to your plan's Evidence of Coverage (EOC) or member benefit handbook for more information. To get a copy of these materials, please contact your health plan directly.

 *Contact information can be found in the resources section on page 49.*

Health Coverage While Traveling

Health Coverage While Traveling

All PHIP health plans cover urgent and emergency care when you travel. Before you travel, contact your health plan to determine your travel benefits. If you receive medical services outside of the United States, ask for an itemized statement of care (in English if possible). Then submit to your health plan for reimbursement. Check with your health plan’s Evidence of Coverage (EOC) for emergency and urgent care copay/coinsurance information. Limits and exclusions apply.

2025 Non-Medicare Plan Benefit Outlines

A Note About Qualified High Deductible Health Plans

The PHIP qualified High Deductible Health Plan (HDHP) can be used with a Health Savings Account (HSAs). If you have other health insurance coverage such as Medicare, or private health insurance, you are not eligible for this type of plan. You are also not eligible if you are claimed on someone else's tax return.

Health Savings Account (HSA) Basics

An HSA is a special savings account that you contribute money to, then withdraw funds to be used for qualified medical, pharmacy, dental and vision expenses. HSAs are funded by individual post-tax contributions and have annual contribution limits set by the IRS. Additionally, HSAs allow you to carry over your balance from year-to-year.

If you are 55 or older an additional annual catch-up contribution may be available. If you change plans or become Medicare eligible you can keep the HSA account and the money in it, which you can continue to use for qualified expenses.

The HSA belongs to you and you are responsible for setting one up through a financial institution.

Contributions cannot be automatically deducted from your PERS pension benefit.

HSA and Medicare

Once you become Medicare eligible, you are no longer eligible to contribute to your HSA. You may be able to cover some expenses with HSA funds including Medicare premiums and long-term care.

Contact a tax advisor for specific rules regarding HSAs.

When the retiree and spouse/dependents are enrolling in non-Medicare coverage, the coverage must be with the same Contracted Health Plan.

Required Notices

Women's Health and Cancer Rights Act

Beginning in 1999, federal law requires group health plans to provide coverage for the following services to an individual receiving plan benefits in connection with a mastectomy:

- Reconstruction on the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and coverage for physical complications for all stages of a mastectomy, including lymphedemas (swelling associated with the removal of lymph nodes).

The health plan must determine the manner of coverage in consultation with the attending physician and patient. Coverage for breast reconstruction and related services will be subject to deductibles, coinsurance amounts and copayments that are consistent with those that apply to other benefits under the plan.

Power of Attorney or Authorization to Disclose Information

PHIP requires that a Power of Attorney or Authorization to Disclose Information be on file at the PERS Health Insurance Office for anyone acting on a member's behalf. PHIP is unable to release information to anyone who is not authorized by the PHIP member. To disclose or change information after the death of a member, please provide one of the following: executor, letter of probate or trustee documentation, or Last Will and Testament.

COBRA Continuation of Coverage

If you experience one of these qualifying events you or your dependent may be eligible for continuation of coverage through COBRA. In accordance with federal and state of Oregon guidelines, PHIP provides opportunities for the continuation of coverage through COBRA following specific qualifying events. If you experience one of the

qualifying events listed below, please contact PHIP for additional information. A qualifying event will occur if eligibility for coverage is lost because of:

- Cancellation of PERS retirement status.
- The divorce or legal separation of a retiree's covered spouse; PHIP must be notified within 60 days from the signed Dissolution of Marriage document.
- A spouse or dependent child no longer meeting eligibility requirements (e.g., a child reaches the maximum age limit, or a spouse loses coverage because the retiree does not enroll in PHIP upon the last enrollment opportunity).

Once COBRA has been secured, timely payment of premiums is essential.

Timely COBRA Premium Payments

Once you elect COBRA coverage, you have 45 days to pay the initial premium. After that, premiums are due the first day of each month. If your initial payment is not (postmarked or received) by the due date, your coverage will be terminated and cannot be reinstated. You have a 30-day grace period for monthly payments, after which your policy will be canceled and cannot be reinstated. The initial premium must be paid within 45 days of the date COBRA is elected. Thereafter, premiums are due the first day of each month for that month's coverage. If payment is not postmarked on or before the 45th day (for the initial premium) or the 30th day following the monthly due date, coverage will be terminated and cannot be reinstated.
